

# Show & Tell

March, 2023

## Ellen Heywood

This pillow is a gift to someone who helped found and dedicated many volunteer hours to an organization we love, TRAIL of Johnson County. The block is very fitting for TRAIL's mission, which is to help older people stay in their homes safely and comfortably.

## Sarah Yoder Parker

The quilt is very large so there was really no way to get it all into a picture. I was experimenting using different computerized techniques but there is also hand guided quilting as well. All the fabric was designed by Tim Holt which I altered it to make the quilt larger. It is to replace smaller quilts that my boys used. They are now out growing me in height now so require larger than twin quilts.
