

2020–2021 Challenge  
*Vintage Made New*

# 2020-21 Challenge

## *Vintage Made new*

---

Use the treasures that your Mom, Grandmother, or Aunt have passed down to you. This can be in the form of embroidered pillowcases, tablecloths, doilies, dresser scarves, hankies, laces and trims, even men's ties. Parts of old quilts or vintage fabrics can also be used.

Any information about the source (e.g., who the vintage items originally belonged to, how they were acquired, stories connected to the items) can be listed in the label.

The size range can be from a fat-quarter size (suitable for a wall-hanging) to a bed-size quilt.

The only restriction is ABSOLUTELY, POSITIVELY, no T-shirts. Let's have some fun with this!

### **The Rules**

1. The quilt must be your own work.
2. The quilt must be quilted, bound, & labeled.
3. Your label must include: your name, year of completion, name of designer (if not you), name of quilter (if not you)
4. You must be a current, paid member of the OCQG.

*Two Viewers' Choice prizes of \$50 will be awarded.*
