

Show & Tell

November, 2023

Pan Ehrhardt

Support the Bees—It is a Laura Heine pattern. I made it, at the request of my sister, for a charity auction put on by Master Gardeners in Alabama. 35" x 47"

The following sample block quilts were made with the ICQG Newcomers last year. I did it in three color ways to show the different looks one block can have. I also did three different setting. The blue sampler is 34" x 34". The larger yellow one, is 48" x 48".

Kathryn Henry

I call this quilt *Susan's Garden*. It was made for my friend (and new Quilt Guild member) Susan Bowers's birthday. Designed by Edyta Sitar of Laundry Basket Quilts — her Spring Mystery Quilt 2023, which she named Pennsylvania at the end of the mystery.

51.5" x 51.5"

Ellen Heywood

This donation lap quilt was constricted entirely with 3-1/2 inch squares made from scraps. Still have a lot more and in other sizes too!

This quilt was made from a kit that I won at the guild when Weeks Ringle and Bill Kerr (Modern Quilt Studio) spoke at our guild a few years ago. It is the "Woodlands" pattern and the kit was intended to be a "napping quilt". At first, I thought I would use the material for another modern pattern I had seen and add some fabrics to make it a little bigger, but I didn't get to it until Covid hit. By then, I decided to go with the Woodlands pattern and by carefully calculating the yardage in the kit, I was able to add two more rows to the width. It fits my full-sized bed nicely. Sara Yoder Parker did a lovely job quilting it for me--she is wonderful to work with. I added cording to the inside of the binding which slowed me down a little, but I still have it in time to use on my bed before Thanksgiving!

Michelle Larson

This pattern is *Chilhowie*, from Bonnie Hunter; done as a mystery quilt winter 2022-23. I made one slight variation to the official pattern by adding purple stars around the nine-patch setting blocks. I used only fabric from my stash (proud of that!) and tried a few things new to me: I participated in a chat group that was very enthusiastic and helped me stay up with the weekly mystery clues, I used a dark quilting thread which was a change from my usual choice, and sewed the binding on with the long arm machine (needless to say, I need more practice doing this!). I made this quilt because I enjoy sewing, so I'm not sure of its permanent home.
80" x 80"

The sampler quilt is Moda Blockheads 4, a weekly QAL from 2022-2023. The fabric is my Morning Light line for Moda and the block setting is by Corey Yoder. It is beautifully custom-quilted by Sarah Yoder Parker.
72" x 72"
